

## **Open Position:**

# **Social Media / Online Marketing Producer**

This is an exciting full-time opportunity to develop and enhance the online and Social Media brand and communications.

We are looking for someone most importantly who is passionate about social media and online marketing.

- You will focus on social media and online marketing around digital photography, DSLRs cameras and photographic equipment
- Conceptualising, development and implementation of Social Media strategies
- Joint implementation of communication campaign with content producers
- Keep abreast of fast pace social media & online marketing trends and innovations
- Coordinating & negotiating solid affiliate deals with other clients and websites.
  
- You should have a former education in mass media communication, marketing, journalism or similar field and you should be active on social media (facebook, twitter, youtube...)
- If applying with no relevant education, have at least two year solid experience in this field
- Excellent spoken and written communication skills in English language
- Good level of spoken and written skills in German language
- Overall excellent presentation and communication skills as this role will put your name & face online and it involves dealing with other people and websites world-wide
- Active involvement (hobbyist) or interest in DSLR digital photography a big plus

## **We offer:**

- Opportunity to work for a large international photo community
- Working with a team of professionals from all over the world
- Flexible working hours
- Comfort of working from home

## **Contact:**

We are looking forward to getting to know you.
